

WHAT SHOULD I PACK FOR CAMP?

Uniforms: Kickapoo Kamp does require a special camp uniform for Sundays and closing activities. We want Sundays to be different from other days, so campers wear green camp shorts with a camp T-shirt. They are ordered prior to May 1 and are paid for separately.

Trunks: Do not bring large trunks. Standard trunks (no wheels) or footlockers (about 13" high, 36" in length) will be allowed in cabins. Others must be stored. Bring musical instruments, radios, CD/MP3 players, costumes, special attire for our parties, or anything you think might add to your comfort or to the attractiveness of your cabin. One large fan is furnished for each cabin. In the interest of safety, no irons are permitted in camp. For many years it has been the custom of each camper and counselor to bring one good book for the camp library. Write your name and date in the book.

Valuables: Campers are requested to leave valuables at home. They are not needed at camp, and the camp cannot be responsible for any items left or lost by campers.

All belongings should be well-marked.
