

It's going to be

A Funderful Summer

at Kickapoo Kamp

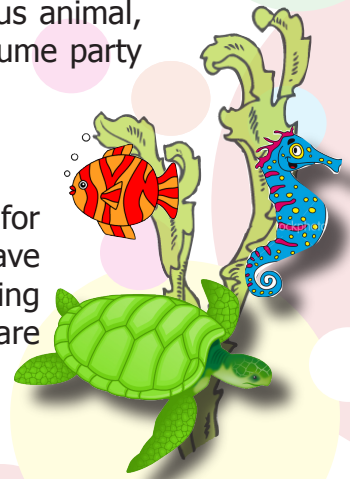

It's understood that you will have fun at kamp

and this summer we have fun under control.

UNDER THE BIG TOP – The circus is coming to kamp so don't clown around; come dressed as your favorite circus animal, entertainer, or freak show personality for the greatest costume party on Earth. (1 and 3 week campers)

Karnival Under the Sea – You're invited to join us for a shellabration at Kickapoo's carnival under the sea. Kampers will have a whale of a time dunking mermaids, playing Pin the Fin, and drinking Oceanic Ice. Dress in your ofishal under-the-sea attire or come as you are (2 and 3 week campers).

Under the **RED**, **WHITE**, and **BLUE** – Nothing's more fun than a patriotic day where there are relays and all-American games to play. Everyone should bring red, white, and blue to wear; you could even put some stars in your hair. Fireworks will light up the sky, assuming that we aren't too dry. (2 and 3 week campers)

Under Where??? - **Hide the Money** - As you and your cabin mates stash your money undercover and follow the trail, watch out for bands of trolls, pirates, or other colorful characters who will attempt to steal your loot. Prizes will be awarded to winning cabins. (1 and 3 week campers and Term 1)

Dine under the stars – Twinkling stars will shine brightly overhead as we spend an evening reminiscing about our weeks spent at KAMP. Kampers are the guests of honor and dress in nice casual outfits or sundresses for this special night, and then head **under the Bright Lights of Broadway** for an entertaining display of Kickapoo's unique talent. (2 and 3 week campers)
