

GONE KAMPING!

2023 SUMMER INSPIRATION

Q: So, what do I wear for the different events described in the themed night activities flyer?

A: Use ideas on these pages as a springboard to find your style...these are just ideas and are not required.

Wild and Wacky Costume Party

(1 week and 3 week kampers)

The more crazy, colorful, and creative, the better. Mix and match, invent a new creature, or create the wackiest version of yourself.

The ideas are endless! Consider costumes that mix and match patterns. They could be super colorful, look like an animal dressed up for a fancy party or make an object look human. You and a friend could dress up in wild and wacky opposite styles. Hats or hair styles might spark an idea too.

Full Moon Jamboree Carnival

(2 week and 3 week kampers)

Come in your campiest clothes to enhance the camping experience. Think about all things at a campout! Keep in mind a Kickapoo t-shirt will be great too!

The Great Outdoors

(1 week and 3 week kampers plus Term-One kampers)

No special clothing needed for this event. Costumes and accessories would interfere with the event.
